

Operational Services

Food Services

The School Board has a continuing interest in the nutritional quality of the diet of the District's students and particularly in regard to the nutritional value of the foods sold and served during the school day.

Good nutrition shall be promoted in the District's meal programs and in other food and beverages that are sold to students during the school day. The Superintendent shall manage a food service program that complies with this policy and is in alignment with Board policy 6:50, *School Wellness*. The type and amounts of food and beverages sold to students before school and during the regular school day in any school that participates in the School Breakfast Program or the National School Lunch Program shall comply with any applicable mandates in the Illinois State Board of Education's School Food Service rule and the federal rules implementing the National School Lunch Act and Child Nutrition Act.

The food service program shall restrict the sale of foods of minimal nutritional value as defined by the U.S. Department of Agriculture in the food service areas during meal periods. All revenue from the sale of any food or beverages sold in competition with the School Breakfast Program or National School Lunch Program to students in food service areas during the meal period shall accrue to the nonprofit school lunch program account.
