

INSTRUCTION**Textbook Selection and Adoption**

The School Board is legally responsible for the adoption of textbooks and such printed instructional materials. No later than thirty (30) days following the School Board's adoption of textbooks and other printed instructional materials, a list of the materials shall be filed in the office of the Educational Service Region.

Materials for the District's classrooms will be selected by the appropriate professional personnel in consultation with the Superintendent. The Superintendent shall recommend textbooks and other printed instructional materials to the School Board for final adoption.
