Welcome!

On behalf of the Board of Education, faculty, staff, and administration I would like to welcome you to the Morton Community Unit School District 709 website. Our district is home to almost 3000 Morton and Groveland area PreK - 12 students who are nurtured and challenged to reach their full potential.

We are committed to developing the whole child through a combination of high quality academic and extra-curricular programs. Our outstanding faculty, staff and administrators work diligently to provide high expectations and a web of support in which students can find their niche and pursue their passions. Instrumental to this dynamic learning environment is the support we enjoy from our families who find a variety of ways to be involved with our schools.

One aspect of this support has come in the form of a \$10.5 million referendum passed in Spring of 2016. Much of the proposed school construction this supports will be completed by the beginning of this school year, further enhancing the learning environment in our schools.

Entering my first year as Superintendent of Morton 709, I anticipate doing a great deal of listening, observing, and learning as I get to know our school district. I am interested in hearing your thoughts on what we do well and how we can improve. I am excited to be part of Morton District 709 and am looking forward to supporting the efforts of our students, teachers, administration and Board of Education as we continue to improve the educational opportunities for our students.
