Every board meeting has two opportunities for public comments. The first session of public comments, at the beginning of the meeting, is strictly for items that appear on this meeting’s agenda for discussion or action. The second session of public comments, at the end of the meeting, is for other communication that is not necessarily on the board’s agenda.

In order to speak at this meeting, members of the public must complete a card with their name and topic and turn it in prior to the beginning of the first segment of public comments. If you wish to speak, and have not yet turned in a card, now is your final opportunity.

The Board of Education will take all comments under consideration and respond, if necessary, in a timely manner. We ask that your comments address the board of education, and not the audience. We will limit your comments to 5 minutes. (Or, replace that sentence with the altered time limits based on the number of speakers.) Participants are expected to conduct themselves with civility and respect, and follow the guidelines outlined in Board Policy 8:30, “Visitors to and Conduct on School Property.” Further information about public participation in Board of Education meetings can be found in Board Policy 2:230.
